

Strategic Planning Input Sessions

Dear faculty and staff,

It was wonderful to see so many of you at Gathering Day and to reconnect over lunch, celebrate the end of the academic year, honor our retirees for their years of service, and provide updates on the important work we have been engaged in during this academic year.

Among those updates was our strategic planning process and timeline, and next steps in the process. In order to build upon the work of last year's Community Day session and as we continue to gather the valuable input of our faculty and staff, I invite you to attend a Community Input Session this summer. There will be four sessions covering our discussion questions; please choose one session to attend.

Each session will take place in Anderson Chapel from 9 a.m. – 12 p.m. The dates for June input sessions will be **June 8** and **June 21**. Please [click here](#) to RSVP.

Dates and times for input sessions in late August are being finalized and will be communicated soon.

Thank you for participating in this important effort!

With gratitude and respect,

Mary K. Surridge
President
